**Bio:**

DJ Cynful is Hollywood's DAY & Night Life DJ. A traveling Los Angeles Based DJ, with over 15 Years of experience in the music Industry, including but not limited to online radio, nightlife, hospitality, and corporate performances. DJ Cynful has been able to seamlessly merge her diverse music knowledge and turntablist background with the fast paced momentum to mainstream music.

"Cyn" is not just known for her mixing and scratching skills, she has been labeled the "Turn Up" DJ who takes her passion and skill set into creating the energy needed to take any performance to the next level. Not only does her style make sure everyone is dancing from start to finish, but her MC-host skills takes her to the next level and builds a relationship with the crowd and promotes the venue and environment she is in. DJ Cynfuls versatility and Open Format djing of any style or genre or culture of music has led her to continue to perform in high profile night clubs and corporate environments.

After finishing a Bachelors degree at USC and Masters Degree, she needed to follow her true passion- music and djing. After dedication to her craft, and branding, she broke out into the Hollywood Club scene as a new sensation. DJ Cynful has become a highly requested female DJ known for dropping the new and old school popular beats, wither her own remixing flavor that keeps everyone pumped. Her mixing is flawless and she has the ability to bring the music to life, through the mix. Cynfuls strong presence in Hollywood etc. has led to invitations to DJ in Las Vegas, New York, and Miami. Her goal is to become a mix show dj as an on air personality. She is currently progressing as she has become a street team DJ for two very popular Radio Stations -
